Footballs echo in the memory
Down the passage which we did not take
Towards the door we never opened

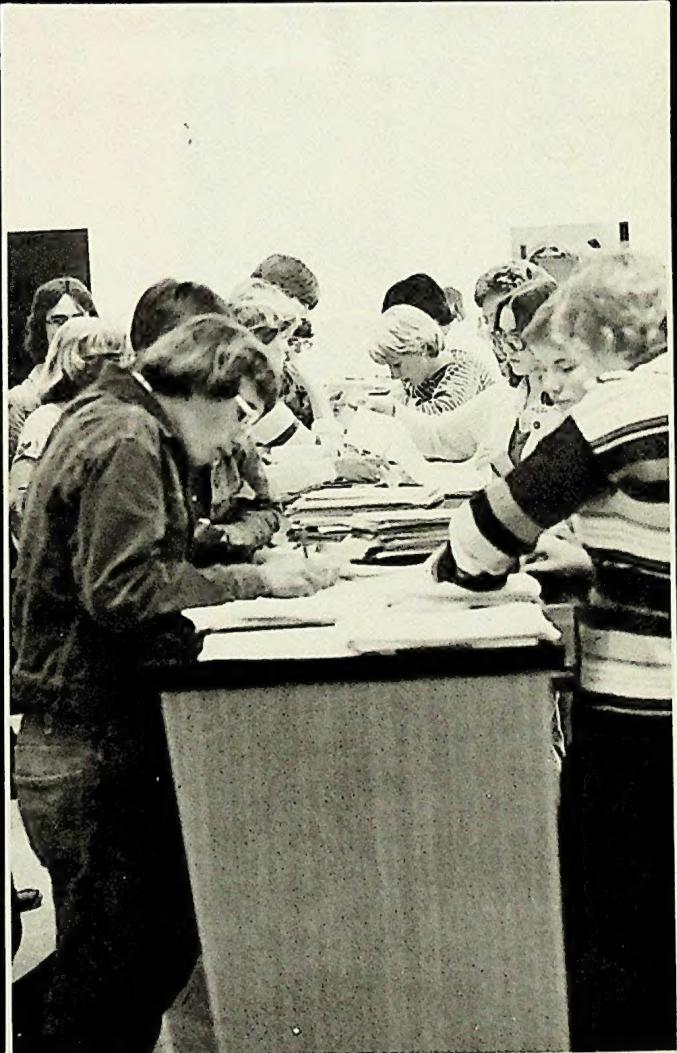

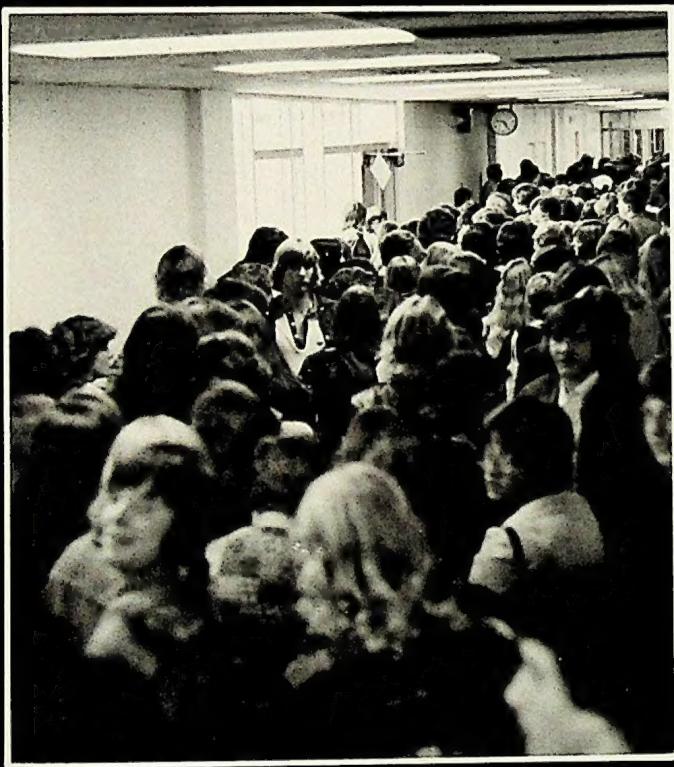

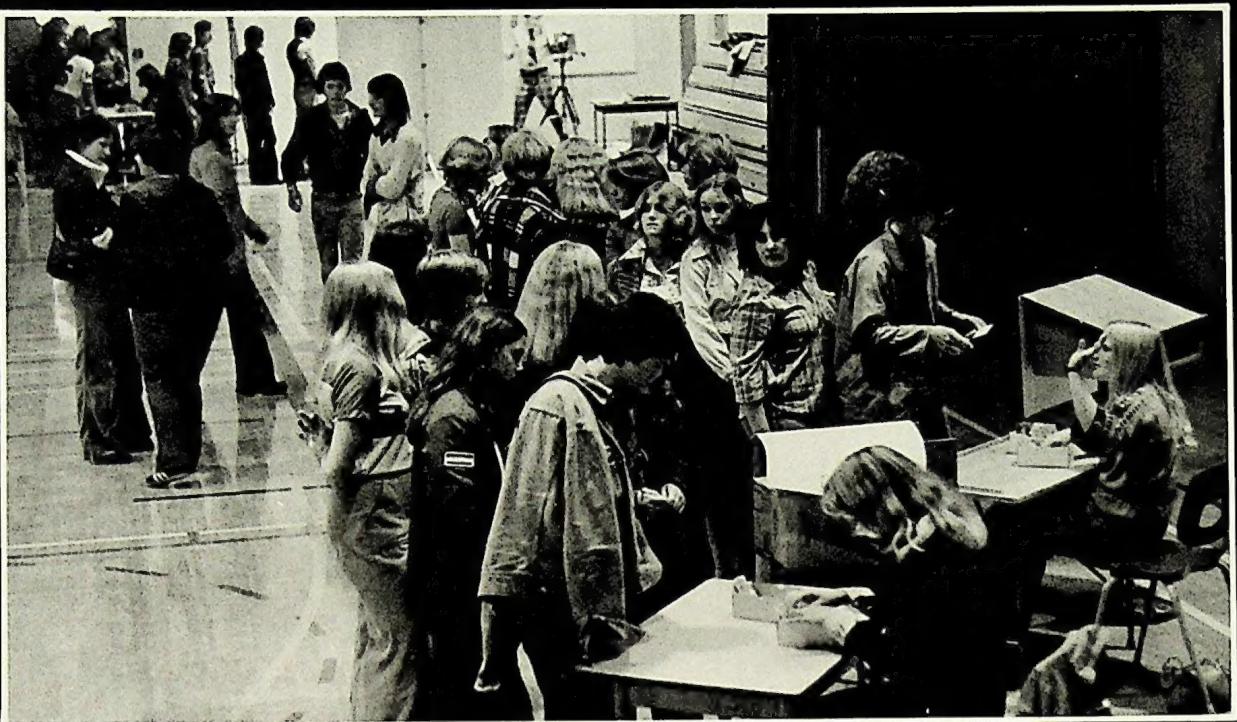

These are all the early memories
Our cannot get another set

MEMORIES 1977**

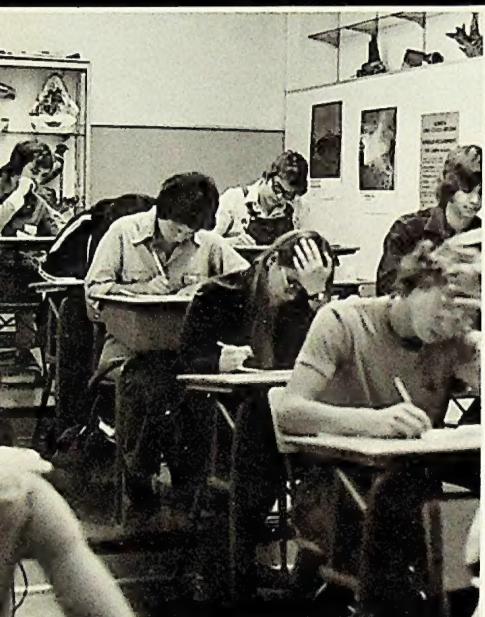

Memories of Registration
the lines, the waiting.
All to start a new
adventure in our lives.

A memory is but a dream
too tangible to hold
like a snow flake that
has glistened.

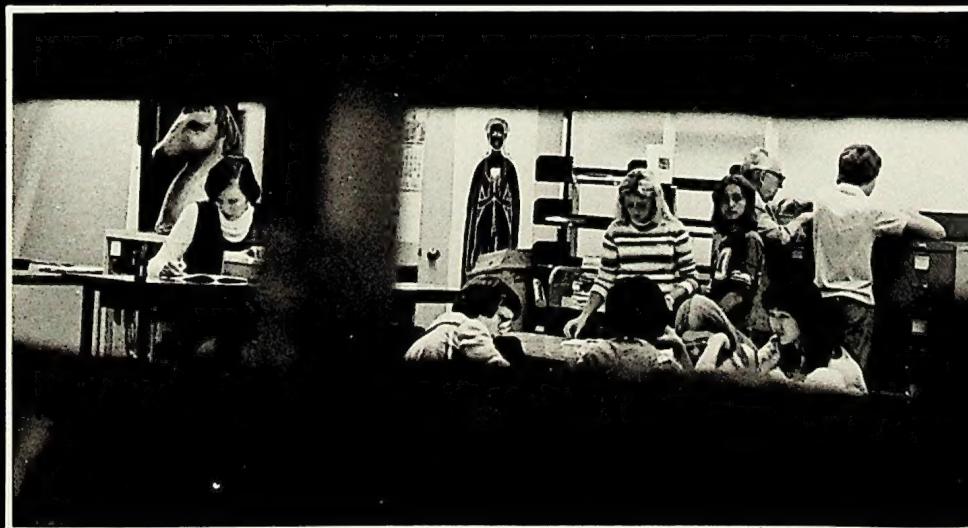

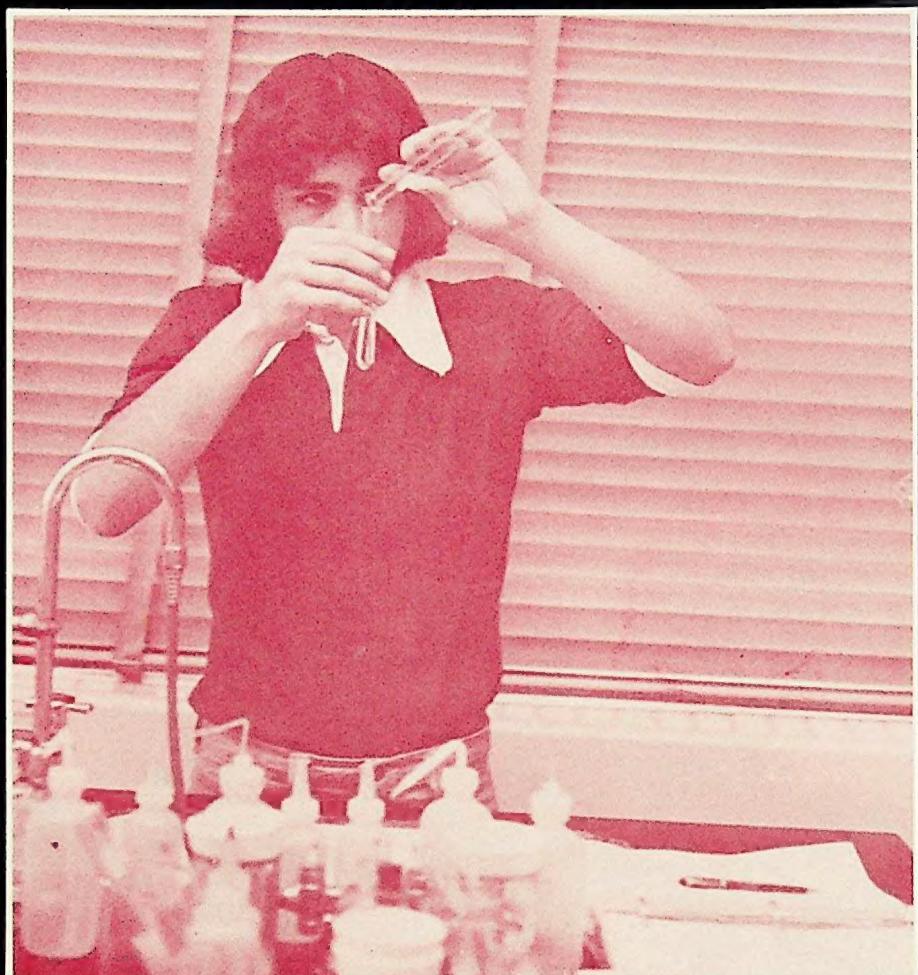

floating gently
through the air
only to melt
into icy cold water
in the palm of
your hand leaving
no hint of past lacy

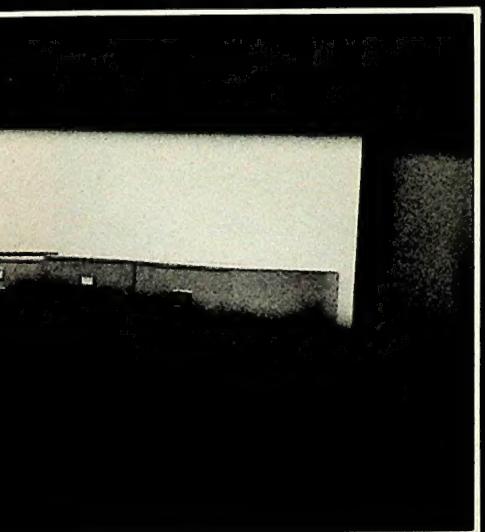

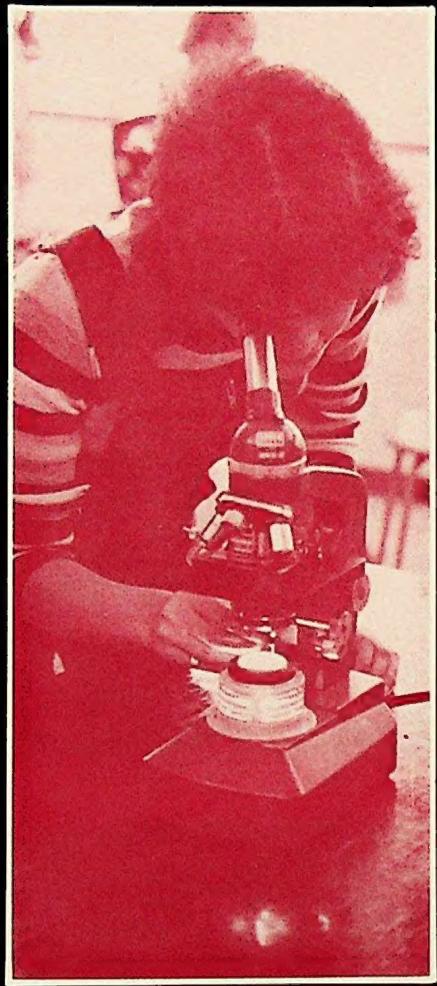

Whiteness
So will I remember
and shed a tear or two
and shake a fist at the
sky for whatever it is
that melts snowflakes.

Jean Grasso

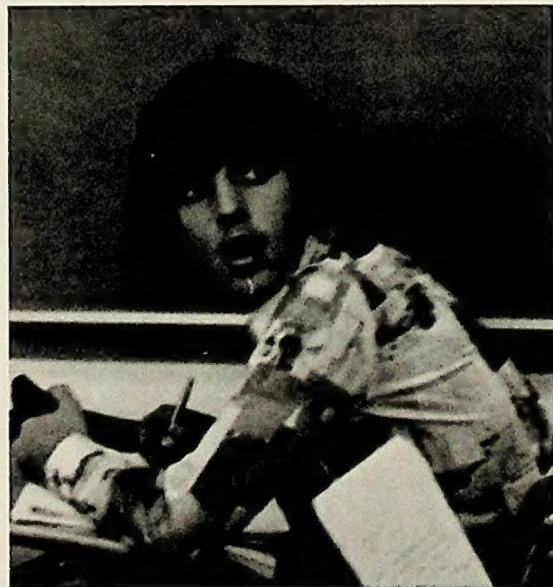

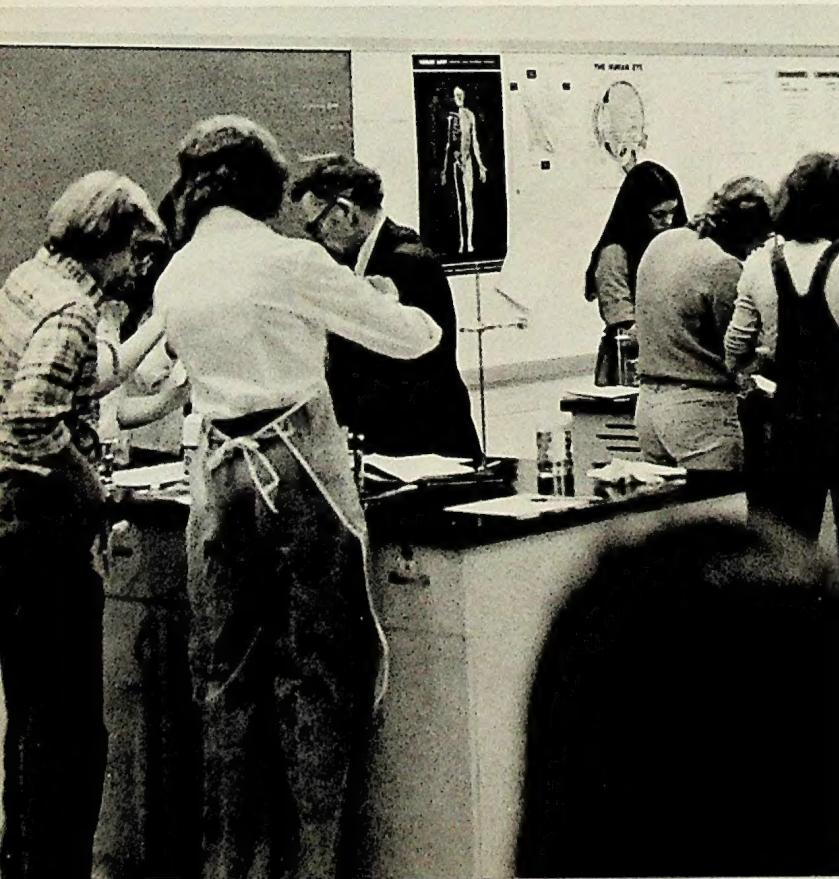

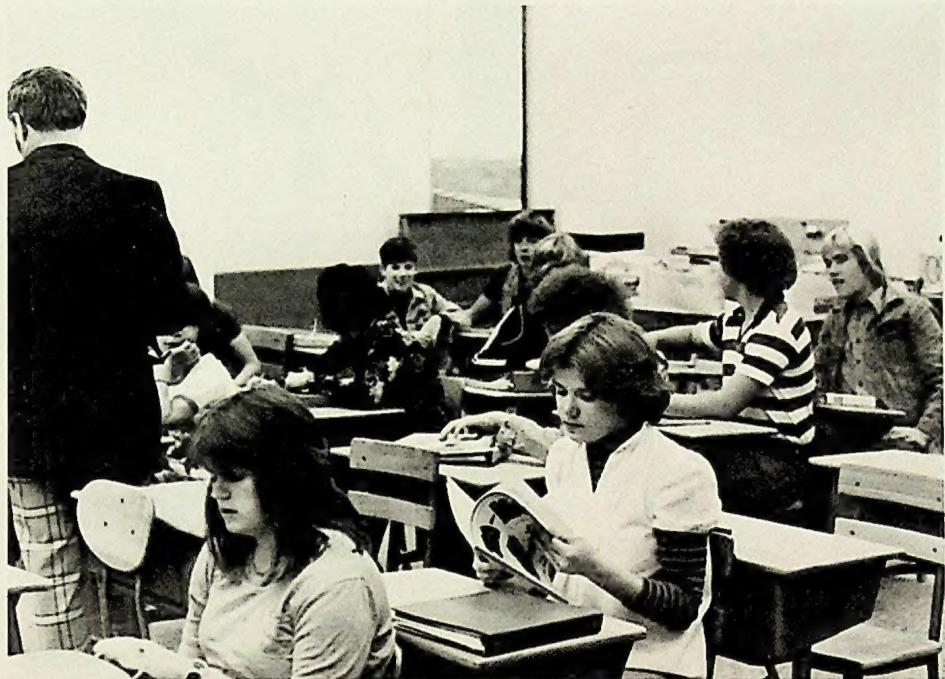

My memory is the thing
I forget with.
A Child's definition.

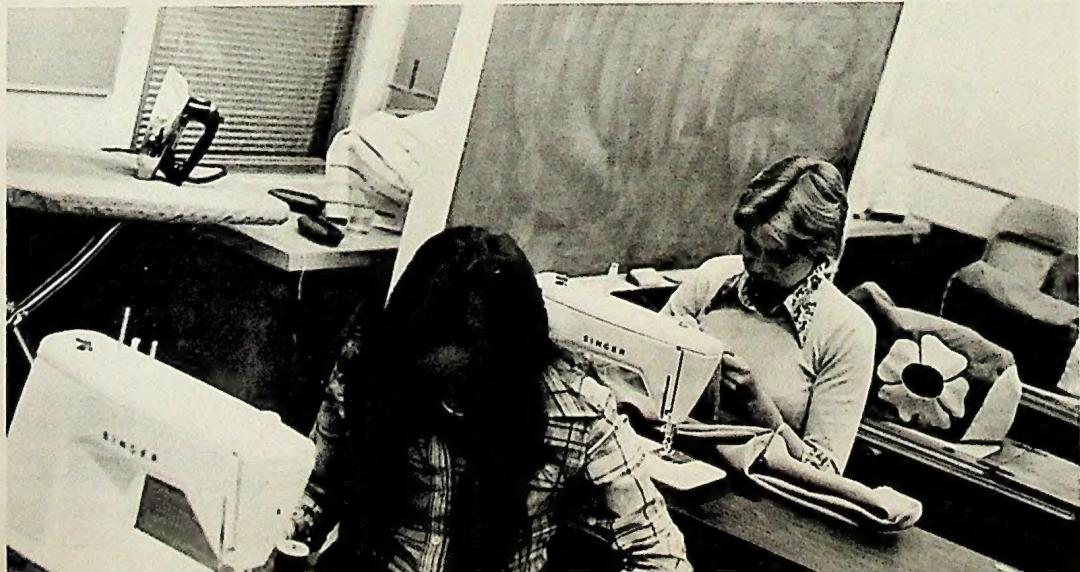

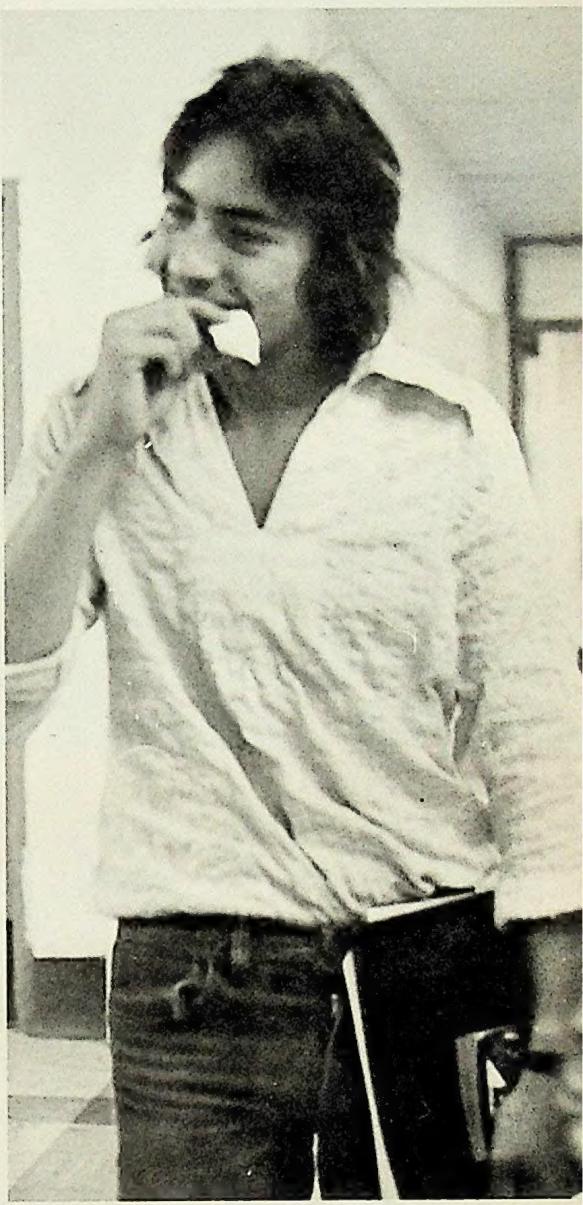

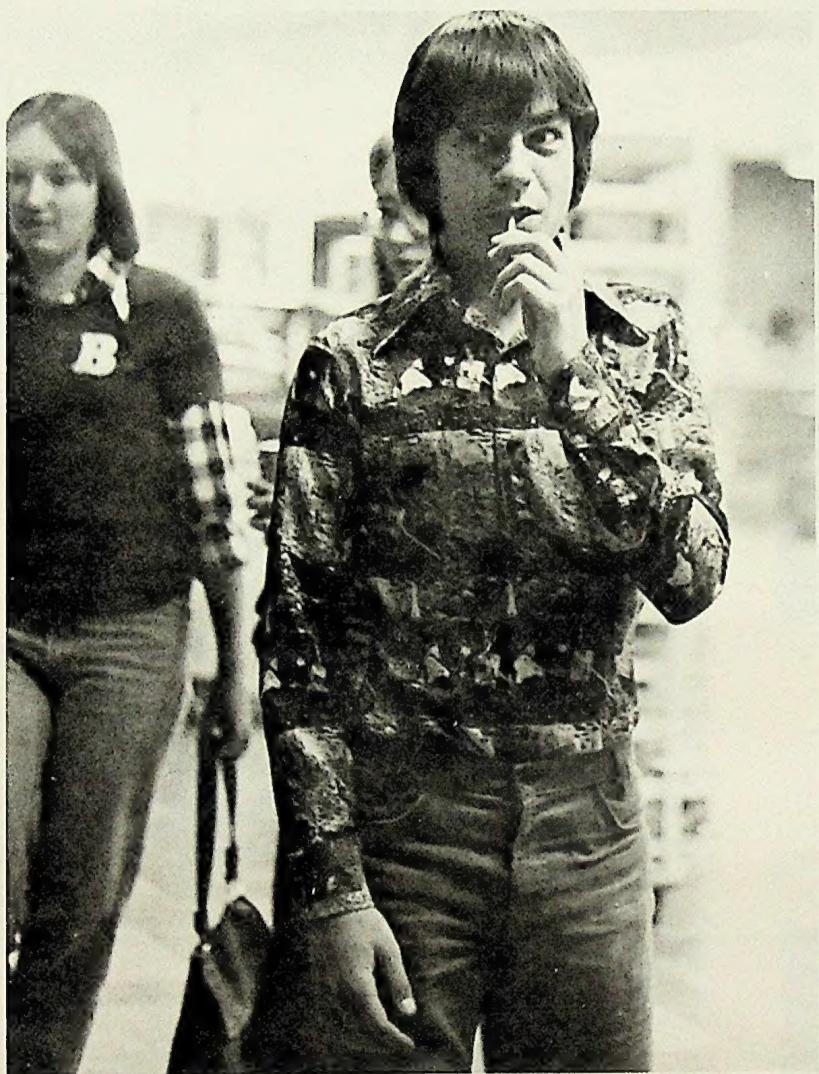

Memories - Light and Corners of My Mind

Tucked into one corner are lakes, in another classes both interesting and dull.
Still flickering are the joys of morning announcements and hallways 22.

Remember, Man as you pass by
As you are now, so once was I,
As I am now, so you shall be,
In your memories, think of me.

A year book is produced each year. Its major thrust is toward the senior class - those students for whom this is the last year in high school. This book and the ones in the years before, will serve as reminders of your years at Jasper Place Composite High School. It will serve as an "Echo" out of the past. It is my hope that through the years, as you turn back to reminisce and relive "old times", your memories will be happy ones.

For each senior, we wish success and prosperity and above all, the contentment that comes from having served your fellows and yourself to the best of your ability.

E. Meyer
Principal

Of this, at least, if I feel amused that there is no such thing as forgetting, possible to the mind; a thousand accidents may and will interpose a veil between our present consciousness and the secret inscriptions on the mind; accidents of the same sort will read away this veil; but the inscription remains forever; just as the stars seem to withdraw before the common light of day; whereas, in fact, we all know that it is light which is drawn over them as a veil, and they are waiting to be revealed, when the obscuring day light shall have withdrawn.

A black and white photograph of a forest scene. The foreground is dominated by the trunks of several tall, thin trees, possibly pine or birch, with their bark showing texture. Sunlight filters through the canopy, creating bright highlights and deep shadows. The background is filled with more trees and foliage, creating a sense of depth and density.

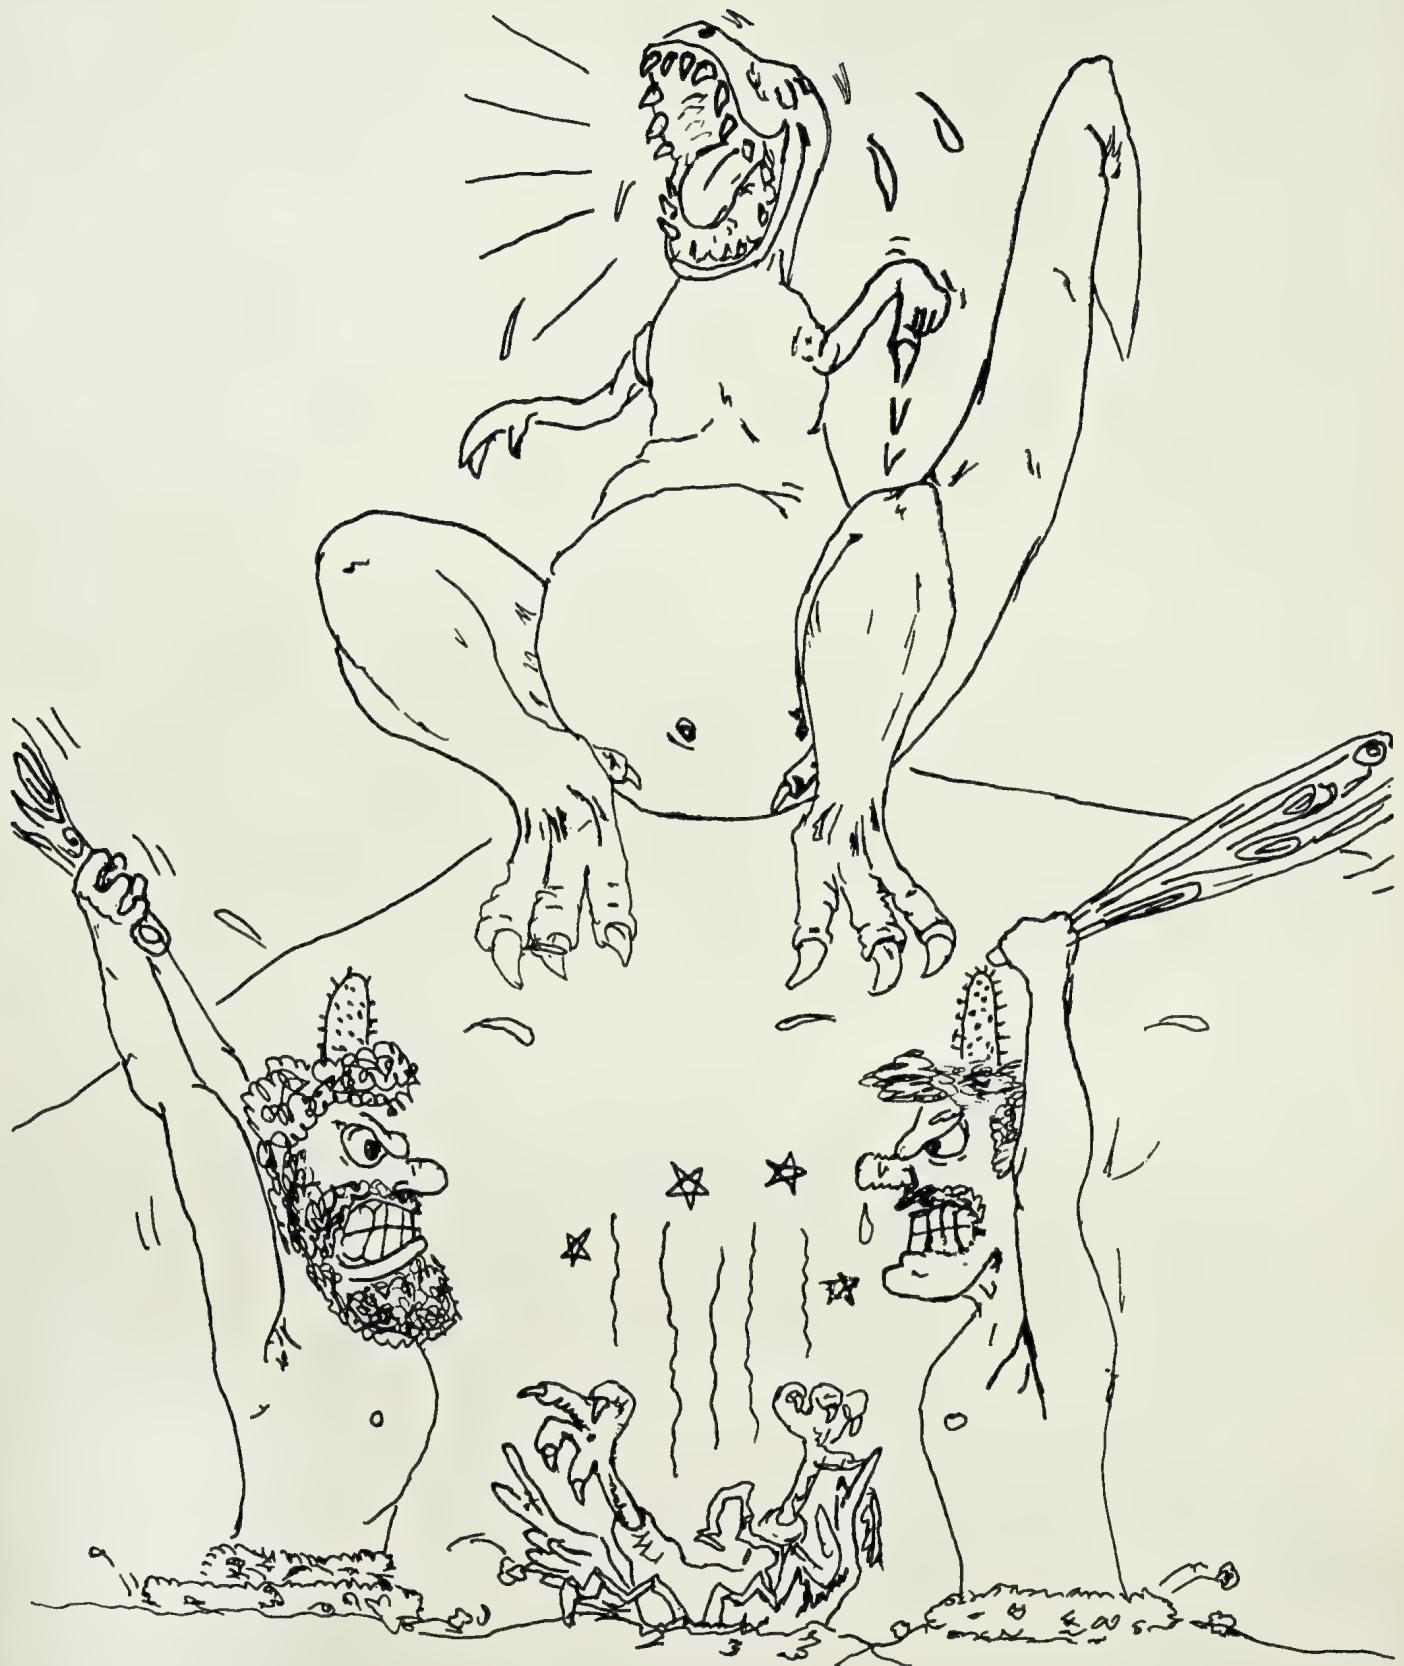

Ode to a Tree

I have never seen a tree,
as pretty as me.

Bananas and onions, what a pair,
lets sit down and find a chair.
Waffles and pancakes, what a delight!
Sit down and eat and turn off the light.

JP Venice and Spain,
And this poem certainly has nothing to gain.
Toe nails, varnish, and ear wax
after you read this poem, you'll have a heart attack.
Scissors, paper clips and ink pad
Just think of the intelligence we once had.

The Senior Girls volleyball season was an exciting one. Starting off slow they made it into the "A" Division and from there really began to play this game. They beat Queen Elizabeth in the quarter finals but lost to Eastglen in the semi finals. The girls should be proud of their play. They were underdogs the whole way.

BOYS' SENIOR VOLLEYBALL TEAM

COACH: Mr. Kees Wouters

BACK ROW, Left to Right: Fraser Armstrong, Tim Edlund, Bob Black, Don Wilson, Conrad Scheibel.

FRONT ROW: Dave Kissner, Ron Pelletier, Denny Mullen, Ken Robertson.

The REBELS played in the ten team high school senior league. As was the case the year before, youth and experience made it impossible to win many matches. The highlight of the season was our participation in the Grande Prairie Pow Wow Invitational Tournament with an encouraging amount of success. Thanks to the players who tried very hard.

BOYS' SENIOR BASKETBALL

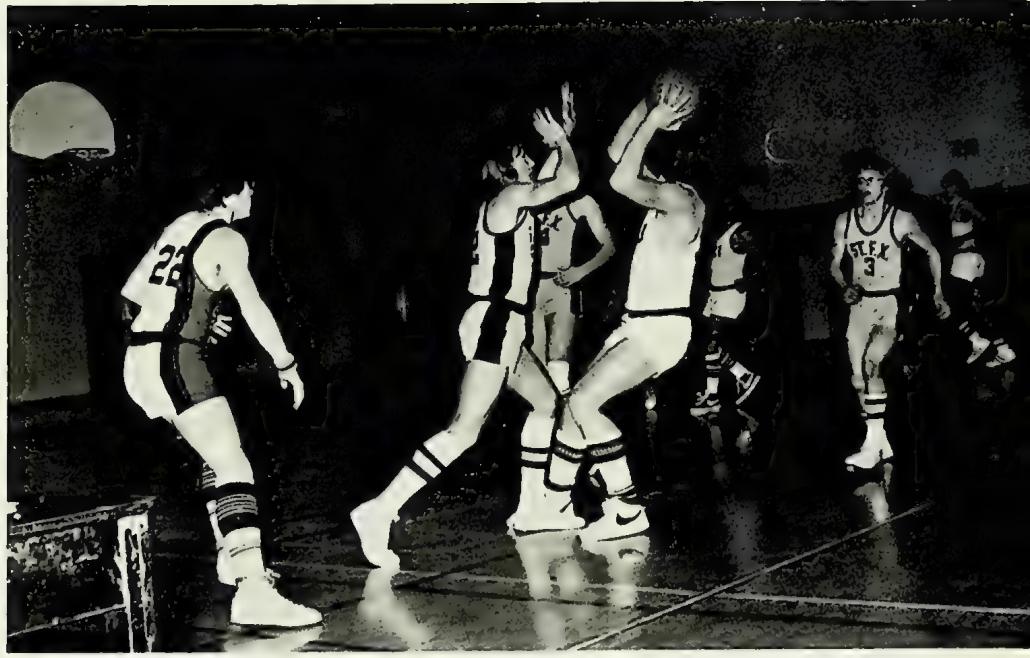

BACK ROW: Coach - Mr. DeKlerk, Brian McLachlin, Ken Speers, Charles Papenhuyzen, Bob Black, Dennis Williams, Randy Lonsdale.

FRONT ROW: Barry Robinson, Paul Drummond, Phil Nyberg, Mark McFarlane.

The 76-77 edition of the Rebels had a successful season. We began the season with the Annual Capher Tournament in which we lost a close game to Arch Bishop Jordan. During the first half of the year we lost two close games to Ross Shep and Scona which placed us in "B" Division. The second half was very successful going through ten games with only one loss. In the playoffs we had a good game against M.E. Lazerte the eventual champions. We also participated in a tournament in Lethbridge in February. Charles Papenhuyzen and Barry Robinson had excellent years. Also the fine play of Bob Black and Phil Nyberg was good to see. All in all the season was a good experience for everyone participating.

The girls played some very good basketball this season. While playing in the "A" division, they recorded the second best defensive record in the city. The Rebels lost in the first round of play-offs. In February they participated in a tournament in Grand Prairie.

JUNIOR GIRLS' BASKETBALL

COACH: Miss C. Hoadly

BACK ROW, Left to Right: Joanne Frost, Brenda Macallister, Audrey Mills, Henrietta Papenhuizen, Barb Turner, C. Hoadly, (Coach).

FRONT ROW: Laurie Edwards, Deb Knoop, Jan Fairley, Nadije Kozakavich.

The girl's junior basketball season was an interesting one. Coached by Miss C. Hoadly, they won in the preliminary round to be seeded in the "A" event. Once the "A" round started the girl's met many good teams and had close games with all of them. At the end of the season they had placed sixth. The girls had an enjoyable year.

The soccer team had a moderate successful season plagued by injuries to key players the team missed the playoffs by one point. The boys really enjoyed the season.

J. P. 'CUDAS

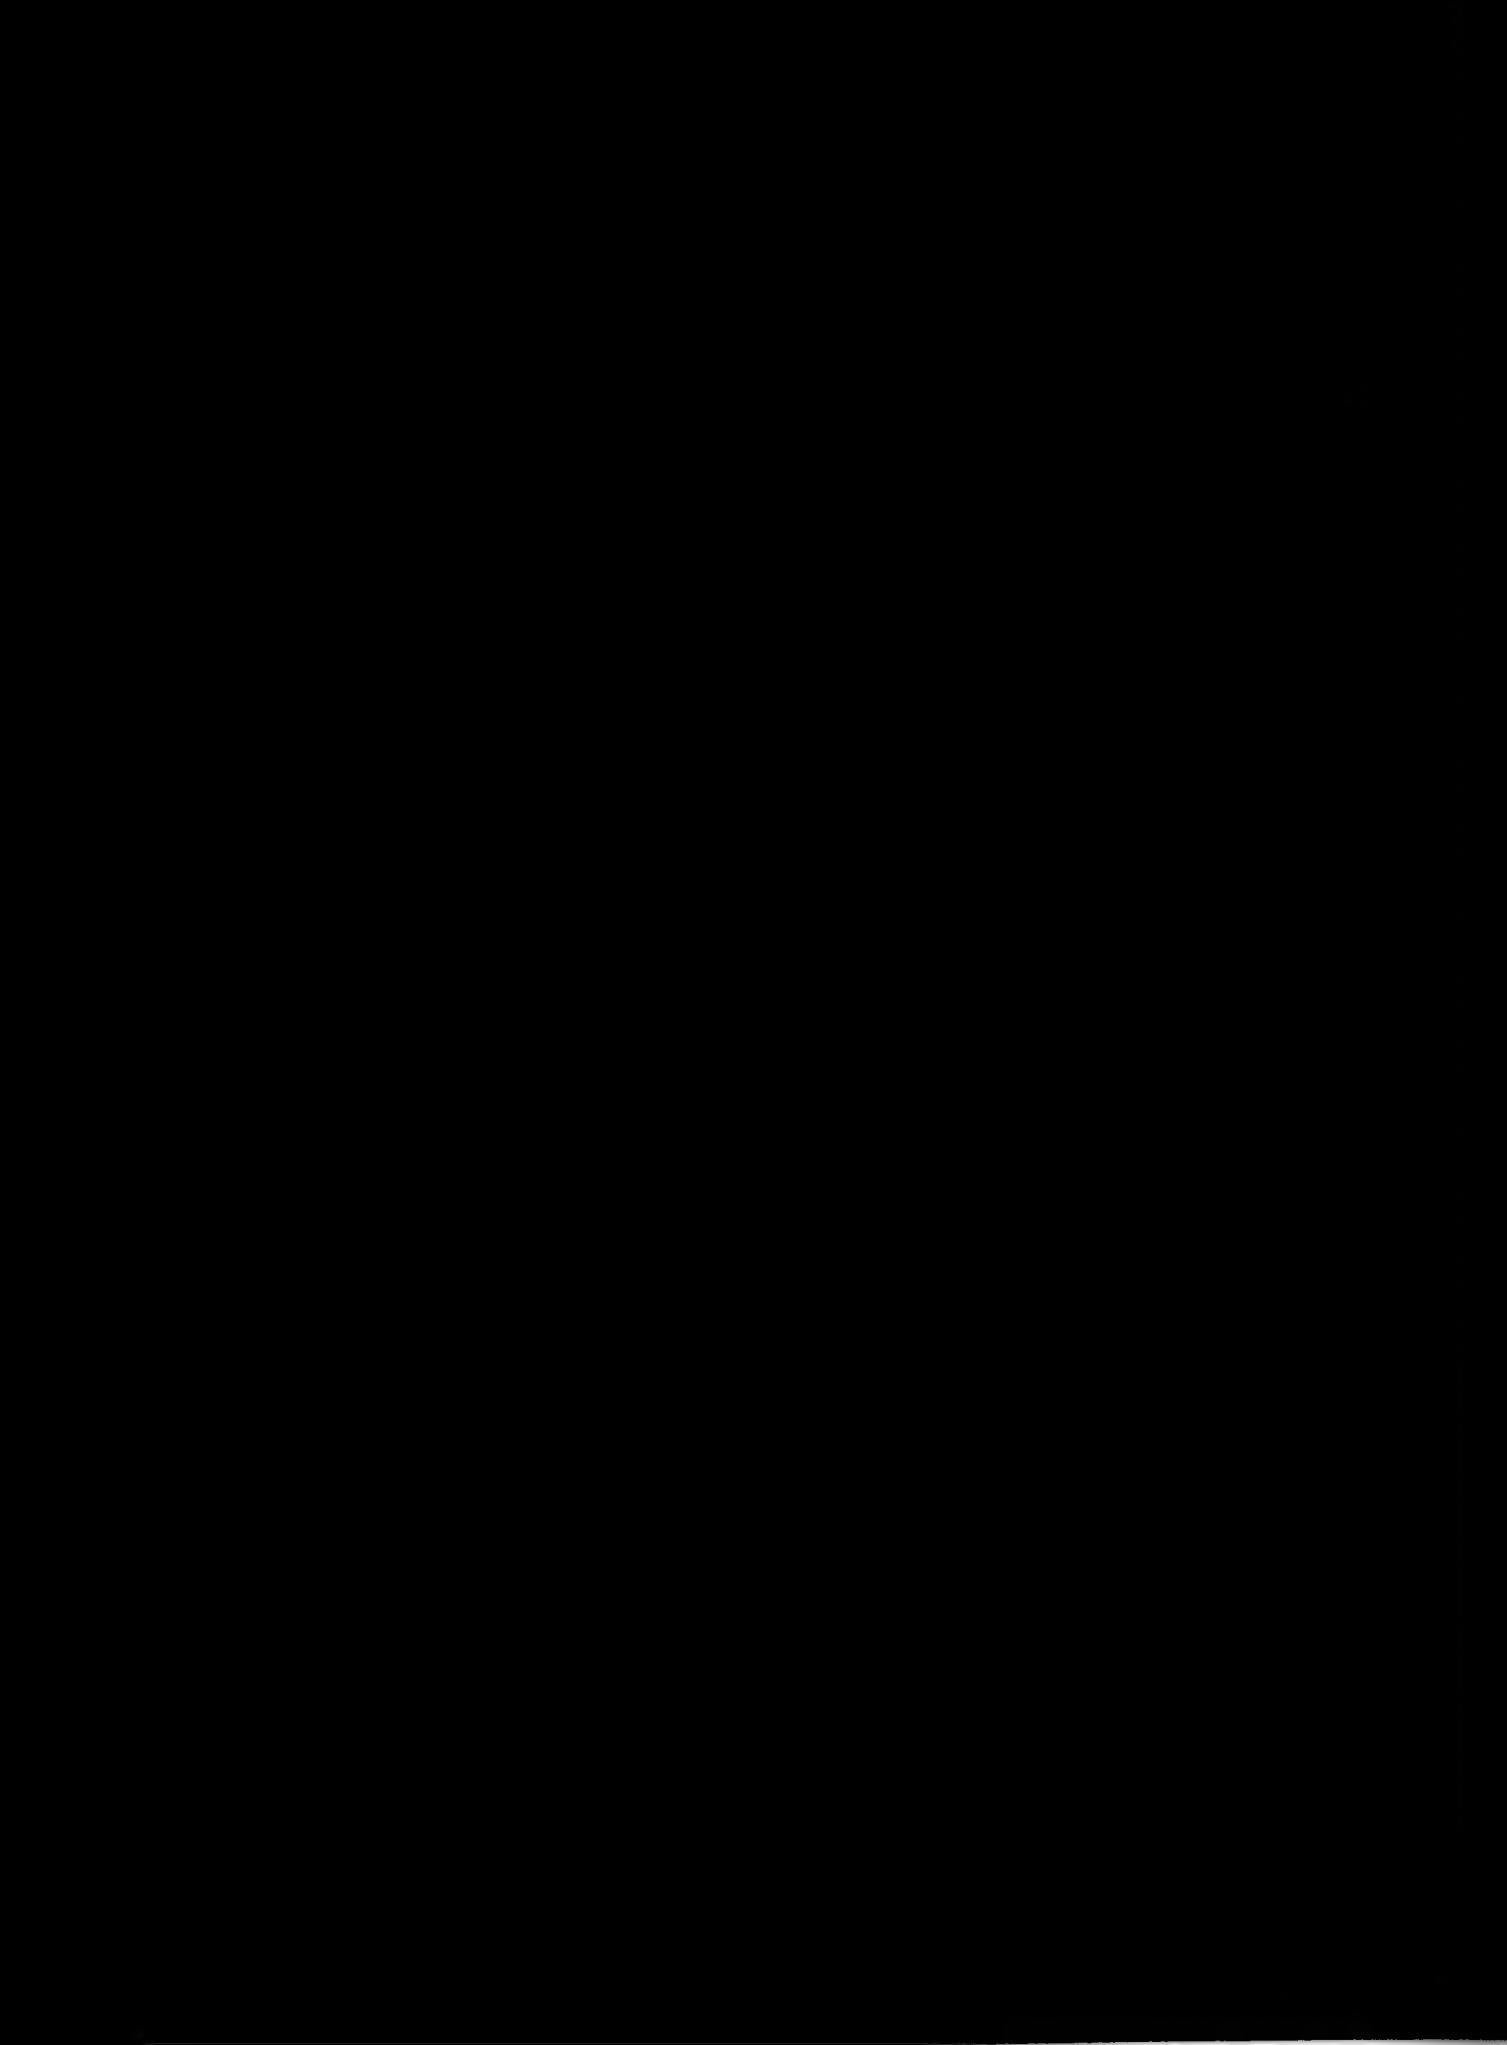

The J.P. Cudas was a new enthusiastic, hardworking water polo club which was solidly established as such rather than an off-shoot of the swim team as in previous years. The club had a membership of about 20 people who managed to last through a grueling, exhaustive, somewhat tiring seven month preseason. In preseason play mixed girls and boys games were played against other city schools. The mixed team consisted mainly of girls which added a lively, pleasant and attractive aspect to the club. Once the season had begun an extremely strong boys team of 15 players was established which is surprising since it was their first year of competition. The team, at the start of the competitive season, was rated as the best or second best team out of a six team city league.
